

Defense Readiness

Jack Krings

Readiness for the Future Not Readiness for the past

- Intelligence Systems
- Decision Mechanisms
- Deterrence Actions
- Swift Response
- Overwhelming Force
- Simultaneous Multiple Attack Systems
- Difficult to Impossible to Defend Against

Test and Evaluation

- Intelligence Systems
- Decision Systems
- Joint Test Responsibility
- Interdependent Systems Test
- Precision Impact and Effects Testing
- Non-Lethal Systems Testing
- Technically Achievable Adversary Defenses

Test Resources

- People
- Consolidated Resources For Consolidated Testing
- Campaign Impact Operational Testing
- Institutional Vs. Programmatic Funding
- Unknown Facility Requirements
- Continuous Operational Testing

Future Military Readiness

- A New Definition of Readiness
- Test and Evaluation of Readiness
- New System Readiness Requirements
- New System Assurance before Replacement
- Fly before Buy !
